

# Metuchen Savings Bank is all about... Taking care of Main Street, not Wall Street!!!

*In business since 1897, Metuchen Savings Bank has provided a safe haven for your savings deposits, which are insured by the FDIC (Federal Deposit Insurance Corporation). Ask our customer service representatives how you can maximize your insurance on the many products we offer.*

*Metuchen Savings Bank is a responsible lender...putting people in their dream homes, not in debt. There are many types of mortgages to choose from, but you won't find any sub-prime ones here. Contact our mortgage department to find out which one is right for you.*

*The Bank is in the business of taking care of the business community too, with business checking, merchant services, commercial mortgages and lines of credit. Contact our business development officer to see if we can help you.*

*Metuchen Savings Bank doesn't take away from the economy, we give back to it...as an employer, as a mortgage lender, and as a business consumer. We are a well capitalized, conservatively run Bank with quality assets and good reserves.*

*You can feel confident when you do business with Metuchen Savings Bank.*
